

Seminar & Exhibition  
New Food Allergen Information Regulations  
Is Your Business Ready?

Tuesday 22 October 2013

Novotel Southampton

**AGENDA**

The EU Commission have made changes to how food labelling on allergens will be carried out by the hospitality and retail industry, You will need to be compliant by 13 December 2014. The EU Food Information Regulations (FIR) 1169/2011, will impact on **ALL** food service businesses

**Do you know how these changes will affect your business?**

Our event will outline your responsibilities and the repercussions for your business

Sue Hattersley from the Food Standards Agency will be highlighting your responsibilities and the implications for businesses which are not compliant by the deadline in December 2014.

Michelle Berriedale-Johnson from Free-From Food Awards will be speaking on the launch of the NEW "Free From Restaurant Awards" launching for 2014, see additional speakers below

download a booking form [click here](#)

**Why you should attend?**

The legislation covers **ALL** food supply business operators at **ALL** stages of the food supply chain, specifically it relates to the provision of detailed information of food allergens contained within your products, and how this information will need to be provided to the end consumer.

Currently many food service establishments and retailers are not aware of the existence of the regulations! Be in the know and be able to inform your customers, attend our event and get ahead of your competitors!

**Register before 16 August**

**to Get the Early Bird Rate - Save £30.00**

Standard Rate £150.00
